

The Land Inbetween

Every step I take through this hellish place,
brings me nearer, nearer to the fate,
that has been decided for me. My page comes to a halt.
This land...I stand here in this purgatory to this life.

Life between the hatred and despair,
the lustrous fame and fortune.

The ground below engulfs my body,
my feet, my legs, my elbows.
Movement feels impossible.....

The endless tale has an end?
How could it be?
But it wasn't supposed to end like this!
This is not what it was meant to be like....

All hope is destroyed,
Chaos has taken over,
I begin to fail, fall.

Darkness, the jealousy has taken the wheel.
The wheel of the brittle ship which sails...
Struggles on the vast, destructive waves...
In this storm....
This new life without a happy ending.
